

Disclaimer

1. Terms of Use

By using the PT FINTECH ("PT") website, you or any investor accept and agree to the Company's disclaimer. PT reserves the right to terminate or change the information, terms, products or services provided on this website at any time without notice.

2. Disclaimer

- 2.1 Before deciding to participate in trading of spot gold, silver, foreign exchange, futures contracts, indices and other products, clients should carefully consider their financial situation, investment objectives, trading experience and risk tolerance, PT reminds clients not to invest hastily if they cannot afford to lose.
- 2.2 The leverage feature of trading spot gold, silver, foreign exchange, futures contracts, indices and other products means that if there is any movement in the market, the client's investment capital will be affected accordingly. Clients may lose all of their initial investment and will need additional funds to maintain their position. If the account is not replenished in time, the position will be forced to close. Any resulting loss must be borne by the client.
- 2.3 Since the online trading system includes (but is not limited to) hardware and software problems, customers are at risk when trading. PT will not be responsible for any failures or delays incurred by customers in the course of on line trading.
- 2.4 While PT endeavors to ensure the accuracy and reliability of all information provided on this website, PT and its data suppliers do not represent, warrant or guarantee that such information is accurate, complete, current, reliable or appropriate for any particular purpose.
- 2.5 PT shall not be liable for any errors, omissions or misrepresentations (whether express or implied) in any information published on the website. The Company's website and its information providers shall not be liable or responsible for any direct or indirect losses, including (but not limited to) loss of profits, which may be incurred by any investor as a result of referring to such information. The information and research provided on this website is for information purposes only and should not be considered as any investment advice or advocate the purchase or sale of any investment products.

- 2.6 In no event shall PT or its data suppliers be liable to you or any third party for any lost profits or lost opportunity, or for any indirect, special, consequential, incidental or punitive damages, even if PT, its data suppliers or licensors have been advised of the possibility of such damages in advance.
- 2.7 PT may provide or assist in providing hyperlinks to external websites in order to facilitate access by our customers and investors to information provided on the websites of other organisations or third parties (non- partners). The Company is not responsible for the content of other organizations' or third-party websites (non-partners), nor is it deemed to be an endorsement by the Company of individual websites.
- 2.8 The provision of, or assistance in providing, such hyperlinks to our Website does not constitute any representation, statement or warranty, express or implied, that we endorse or disagree with the contents of such Website and we shall not be liable for any loss, destruction or damage (including without limitation consequential loss, destruction or damage) arising out of or in connection with the contents of any external website transmitted pursuant to our Website or made available via a hyperlink. PT shall not be liable for any obligation or legal liability.
- 2.9 PT expressly excludes any liability for any loss or damage, direct or indirect, special or consequential, arising from the use of the Company's website. By accessing this website, each user will hold PT and all its related companies and their individual directors, officers, employees and agents harmless from any claims and any proceedings relating to loss, damage or consequence.
- 2.10 You undertake to keep the Trading Password in strict confidence and accept full responsibility for any accidental or intentional or unauthorised disclosure of the Trading Password to any third party. Any person who can provide us with the Trading Password for such Trading Account shall be deemed to be authorized and irrevocably bound to the Client. The Client acknowledges that there is a risk that the Trading Password may be misused by unauthorized persons or for unauthorized purposes and agrees to fully assume such risk and fully indemnify us against all consequences arising from such risk. The Client shall notify us immediately if the Client learns or suspects that the Trading Keyword has been leaked to any unauthorized person or that any unauthorized instruction has been given.
